About Us

Established in 1999, Coach Bob Biggers aimed to provide a positive alternative for young people 18 and under. Our mission is to be a trustworthy choice for parents with children who are seeking a safe organization to learn the rules and etiquette of the game of golf. Our program teaches golf in a gradual and comfortable approach that builds confidence, enhances self-esteem and encourages self-discipline. While learning the history, rules and etiquette within this great game, we develop and encourage core values and skills that can extend beyond the game including building responsible, self-sufficient and law-abiding citizens in their respective communities. Our students have shown vast improvements in their academic performance, attitude and desire for life-long achievements.

In January 2018, Tee-Lo held the grand opening of its 3-hole golf and putting facility in Orlando. With the help of our sponsors, our supporters and this tournament, we hope to expand our reach to the youth in our community and carry out our mission.

Our Host - Sean Foley

Voted as the top golf teacher in the world by players on the PGA Tour, Sean Foley has coached champions including Justin Rose, Danny Willett, Cameron Champ and Tiger Woods. Today, Foley teaches and trains out of Sean Foley Performance at EaglesDream for junior players by incorporating performance psychology, biometrics, physiology, and philosophy in his elite and world-class golf instruction to help those golfers evolve into the best players and people they can be. Tee-Lo Golf is honored to host and sponsor our tournament.
